Instruments

Instruments sets needed for surgery:

Porous sets

7143-4700 Porous Patella Set

7143-4730 Porous Tibia Set

7143-4740 Porous Misc Set

One of the following LEGION◊ instrument sets configurations:

Scenario 1: LEGION TKS Universal Instrumentation

- Uses existing instruments in field, but replaces insert trials.

Scenario 2: LEGION CR and PS SYNC Instrumentation Upgrade Set

- Uses existing instruments in field, but upgrades to SYNC trays which include new insert trials.

Scenario 3: LEGION CR and PS with SYNC Instrumentation

- Uses brand new SYNC Instruments and trays which include new insert trials.

Scenario 1:

CONCELOC◊ with LEGION◊ Universal Instrument Set

Sets needed for surgery:

Porous sets

Set No.	Description
